

PLC-SU22N

Great Features, Small Size!

- Footprint under one square foot-the smallest projector in its class
- Weighs only nine pounds
- New Digital Keystone Correction compensates for angled projector placement
- Built-in PC-card slot, 8MB SmartMedia® card and PC-card adapter for computerless presentations
- One-button Auto Imaging setup function eliminates setup confusion
- Image Pause function removes the image from the screen without loss of place in presentation
- Included wireless remote with laser pointer also controls mouse functions on a PC
- Recessed lens for added protection during storage, shipping, and travel

That's exactly what you get with SANYO's new PLC-SU22N multimedia projector:

Great full-featured performance in a small, stylish package. The compact PLC-SU22N boasts 1200 ANSI Lumens of brightness, true SVGA resolution, and exceptional picture uniformity, yet weighs only nine pounds! With a footprint of less than one square foot, it's truly the smallest, lightest, brightest projector in its class!

True SVGA Resolution

Super crisp, 800 x 600 resolution can project a detailed image up to 300" diagonally.

Lightweight, Yet Durable

High-grade magnesium alloy cabinet is extremely light, yet can handle the rigors of the road.

DRIT Ensures Compatibility

SANYO's own Digital Realized Interpolation Technology features elegant compression of an XGA signal to produce a crystal clear, compatible SVGA image.

Ease of Use Equals Flexibility

Anyone can use the PLC-SU22N, which makes it perfect for school use, training classes, product demonstrations, corporate presentations, and much more.

International Traveler

Multivoltage, multilanguage displays, and support for six color systems (PAL, PAL-M, PAL-N, SECAM, NTSC, NTSC4.43) makes the PLC-SU22N perfect for domestic or international use.

Plug-and-Play Convenience

The PLC-SU22N automatically recognizes the signal coming from the computer and selects the proper settings.

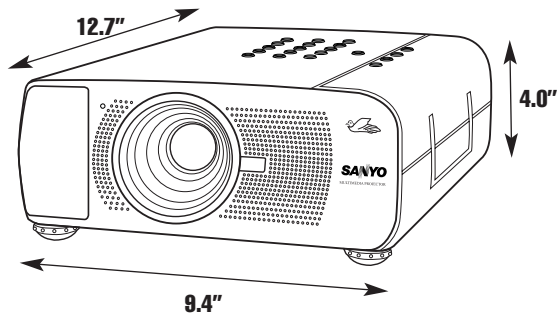

Quick Repair Program (QRP)

SANYO's QRP allows for a 24-to-72-hour turnaround time in the unlikely event that this projector needs warranty service. SANYO even pays the freight!
