

P400

SAMSUNG

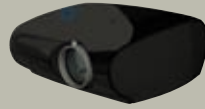

DLP™ Pocket Projector

- 150 ANSI lumens, the brightest in its class
- Light and compact, weighs less than 2 lbs.
- LED light source lasts up to 20,000 hours
- RGB, Composite Video and Audio inputs
- Sleek, gloss-black dolphin design projects contemporary image
- DLP technology with 1000:1 contrast ratio

imagine a smaller way to make a big impression. By combining sophisticated projection technologies and an ultra-compact form factor, the Samsung P400 pocket imager makes it easier than ever to present your work in the spotlight it deserves. Boasting 150 ANSI lumens, it's among the brightest LED projectors in the market. Video and audio inputs let you connect a laptop, DVD player and digital video easily. The LED light source means you don't have to worry about broken bulbs. And the P400's gloss-black, dolphin-like design says you're progressive and contemporary, even before you turn it on. With the Samsung P400 DLP pocket projector, it's not hard to imagine.

P400

DLP Pocket Projector

Features

Give mobile presentations anywhere

Watch movies with your friends

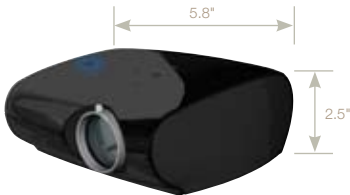

Play video games without a TV

Couple with an iPod to play movies
